Nurse Education - Full Time

This academic map is a suggested semester-by-semester guide to keep you on track to complete your degree requirements in two years. Your academic advisor can provide you with clear direction needed to stay on course and discuss scheduling options with you. Taking courses not reflected on this map may result in courses not counting toward the completion of your requirements.

### About Developmental Courses
Developmental courses do not satisfy graduation requirements, but they are required for those who place into them and will appear on the student’s transcript. Placement into one of the following courses indicates that a student needs additional preparation before enrolling in college-level courses:

- ENGL 091 Preparing for College Reading I
- ENGL 092 Preparing for College Reading II
- ENGL 095 Reading and Writing Seminar
- ENGL 099 Introductory Writing
- MATH 001-003 Prep College Math I-III
- MATH 010 Fundamentals of Mathematics
- MATH 060 Math Literacy
- MATH 101 Introductory Algebra

### Route to Success
Summer and/or Winter Session classes may be available for your program to help you finish on time. See your advisor and/or visit the online course search for availability.

### Ready to Go
Courses have no prerequisites or developmental courses.

### Semester-specific Course Offerings
Courses are not offered all semesters.

### Minimum Grade Requirement
Students must earn a minimum grade to remain in the program.

### Electives
For details on eligible electives, please see reverse.

Taking 15 credits/semester or 30 credits/year will help you stay on track to finish your degree in two years.
The Massasoit Community College Nurse Education program began in 1968 and graduated its first class in 1970. Massasoit offers nursing options both part time and full time. Our program is committed to providing an education based on professional nursing standards. Most of our graduates are employed in local health care facilities. The nursing program strives to assist students in realizing their full potential. The faculty and staff value respect, caring, esteem, nurturing, and critical thinking in each other, our students, and the community.

A CORI/SORI background check will be required for all students before clinical experience. Unsatisfactory CORI status will prevent students from participating in the clinical experience. Nursing courses have both a theory and clinical component. A student must pass both in order to successfully complete the course.

A minimum grade of C+ (78) is required in all nursing courses.

Math Competency: The math competency for graduation may be fulfilled by passing MATH 112 Intermediate Algebra with a C- or higher or by passing the computerized placement test with a score of 72 or higher.

Other Electives: Students choosing a liberal arts elective can select from the Course Elective Guide at massasoit.edu/electives.

Some courses may have prerequisites, which are courses that must be taken prior to a particular course. For details, log into DegreeWorks through your MyMassasoit portal.

A minimum of 65 credits and 16 courses is required for completion. The same course may not be used to satisfy two different course requirements.

Massasoit Community College maintains formal articulation agreements with Emmanuel College, Regis College, University of Massachusetts Dartmouth and Boston, Framingham State University, Salve Regina University, Worcester State University, Laboure College, Simmons College, and Curry College.
