

Seminar II in Child Care Management

CCED408

Course Outcomes:

1. To provide students with an opportunity for discussion of practicum experiences in order to reflect on the use of appropriate practices in teaching and directing a program
2. To understand the role of an administrator in a child care setting in order to meet OCCS requirements
3. To discuss the various social and economic trends as they relate to child care in order to understand the diverse needs of the community
4. To become knowledgeable about the various professional opportunities in child care management in order to advance in the child care profession
