Checklist for applying to the Respiratory Care Program for Fall 2019

Please use the following check sheet to help organize your application materials.

All items must be submitted together to the Admissions Office before the deadline date of June 15, 2019.

Dear Prospective Student:

Thank you for your interest in the Respiratory Care program at Massasoit Community College. This packet contains important information about the admissions requirements and the application process for the Fall 2019 semester. We have included a checklist of items needed to apply to the Respiratory Care program. In addition, you may access information on our website at www.massasoit.edu.

The Respiratory Care program is a competitive and selective program. Please read through the requirements carefully. It is the student's responsibility to make sure all requirements have been met and all admissions materials are received by the deadline. We will not accept your application until all of the required items are completed and included with your application. (See the Checklist for the Respiratory Care program for required documents/items).

You may submit a completed application for the Fall 2019 Respiratory Care Program with all of the required admissions materials anytime after November 15, 2018 and no later than June 15, 2019. Incomplete applications received in the mail or in person or applications received after the deadline date will not be reviewed and will be returned.

We hope you will find this packet informative and helpful. If you have any additional questions, please contact the Admissions Office at (508) 588-9100 x1411. We wish you success in your educational endeavors.

Thank you,

Michelle Hughes
Michelle Hughes
Director of Admissions

- _____ Submit the Massasoit Application for Admission or the 2018-2019 Application for Selective Admissions Program.
- _____ Submit documentation of high school graduation, GED/HiSET, or other state approved equivalency credential (transcript or diploma). All foreign high school transcripts must be evaluated.
