

Massasoit Community College
United Student Fund Request for Health Insurance

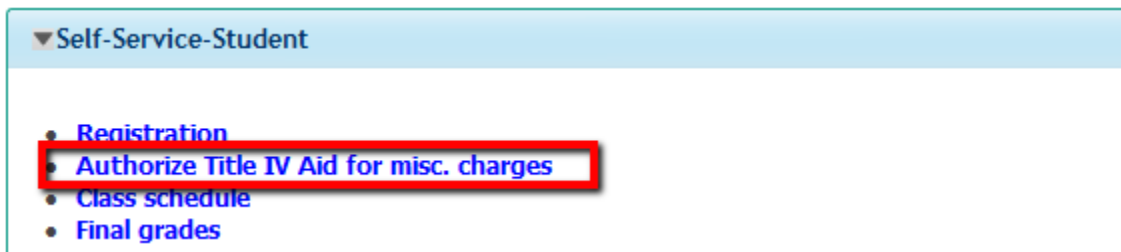

Today's date: _____ Student ID: V00 _____

Name: _____ Phone: _____

Please explain why you are requesting assistance for the cost of health insurance from the United Student Fund. Applications submitted without a response to this question will not be considered.

If you are granted money from the United Student Fund but have already requested a student loan(s) to assist with your health insurance costs, would you like Massasoit to reduce your loan(s) by the amount of funds that are awarded to you? YES _____ NO _____

If you are using federal financial aid to pay for some or all of your health insurance costs, you are required to complete a Title IV Authorization. If you have not previously completed this, please do this by visiting the Student Tab of your MyMassasoit account and clicking on "Authorize Title IV Aid for misc. charges". Please complete this before submitting this application.

Application decisions will be communicated to you via email to your Massasoit e-mail address. Please be sure to check this account regularly for important College communications.
