

2019-2020 DEPENDENT VERIFICATION WORKSHEET

Your 2019–2020 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, the Financial Aid Office may ask you to confirm the information you and your parent(s) reported on your FAFSA. To verify that you provided correct information, the Financial Aid Office will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent whose information was submitted on the FAFSA must complete and sign this worksheet, attach any required documents, and submit this form and the required documents to the Financial Aid Office.

Frequently Asked Questions and Disclosures

Why was I selected for verification?

There are various reasons why a FAFSA applicant may be selected for verification by the Department of Education, or Massasoit staff. Perhaps the FAFSA included estimates of federal income tax information and the actual information now needs to be confirmed. Or maybe the FAFSA was submitted with data that appears inconsistent or unusual, or includes the type of information that is frequently misreported. Finally, you may have been selected for verification through a random process used to get a sampling of how accurately families fill out the FAFSA. Each year approximately 30-40% of our applications are selected for verification.

What is the deadline to submit verification paperwork for the 2019-20 year?

For Pell Grant applicants, the deadline for 2019-2020 has not been published, but the deadline is expected to be approximately September 21, 2020, or 120 days after the last day of the student's enrollment, whichever is earlier. Loan recipients must complete the verification and loan acceptance processes prior to ceasing enrollment as at least a half-time student.

What happens if I do not provide the verification information requested?

If you do not provide the verification documentation, you are not eligible for most federal, state, and institutional financial aid. Therefore, please submit the requested verification information promptly to avoid a delay in your financial aid application processing.

How to Obtain a Verification of Non-filing letter from the IRS

An IRS Verification of Non-filing Letter will provide proof from the IRS that there is no record of a filed tax form (1040, 1040A, or 1040EZ) for the year you have requested. For the 2019-2020 academic year, you will be requesting a verification letter for 2017. Non-Tax filers can request an IRS Verification of non-filing, free of charge from the IRS in one of the following ways:

Online Request @ www.irs.gov:

- Click on “Get your Tax Record,” then click “Get Transcript Online.”
- Enter Social Security Number, email address, filing status, and account numbers for loan or credit card associated with your name, and mobile phone associated with your name.
 - *If you are unable to and/or do not have accounts in your name that meet the identity validation requirements, you will either need to request the form by PHONE or by PAPER-you CANNOT request the transcript to be mailed via the IRS website.*
- Click “Continue”
- Select "**Verification of Non-filing Letter**" and in the Tax Year field, select "**2017**".
- If successfully validated, you will be able to view and print your IRS Verification of Non-filing Letter.

By Phone @ 1-800-908-9946:

- Follow the prompts to enter social security number and the numbers in your street address.
- Select "**Option 2**" to request an **IRS Verification of Non-filing Letter** and then enter "**2017**".
- If successfully validated, you can anticipate receiving a paper IRS Verification of Non-filing Letter to the address used in the phone request within 5 to 10 days.

By Paper using IRS form 4506-T. This is the **ONLY** option for individuals who have never filed a tax return with the IRS. How to complete the IRS Form 4506-T:

- Complete lines 1 – 4, following the instructions on page 2 of the form.
- Line 3: enter the non-filer's street address and zip or postal code.
- Line 7: Select the checkbox on the right hand side for **Verification of Non-filing**.
- Line 9: Year or period requested field, enter **12/31/2017**.

- Mail or fax the completed IRS Form 4506-T to the address (or FAX number) provided on page 2 of Form 4506-T.
- If the form 4506-T information is successfully validated, tax filers can expect to receive a paper IRS Verification of Non-filing Letter at the address provided on their request within 10 to 15 days.

Please note: Instead of a “Verification of Non-filing” letter, we can also accept any IRS document (such as a Form 13873 or Tax Account Transcript) that clearly indicates that the IRS does not have a tax return record on file for 2017.
